# SCOPE, PURPOSE AND BENEFITS OF THE SETTLEMENT.

10
2.1 This Agreement is intended to and does effectuate the full, final, and complete
11 resolution of all claims and allegations that were asserted in the Action and Related Cases by
12 Plaintiffs on behalf of the Class Members.

13 2.2 Although neither Plaintiffs nor Fidelitone abandon their positions taken in the Action
14 and Related Cases, the Parties believe that continued litigation would be protracted, expensive,
15 uncertain, and contrary to their respective best interests. In light of these realities, the Parties believe
16 that this Settlement is the best way to resolve the disputes between them at this time.

17 **3.** JURISDICTION.

The Court retains jurisdiction over the Parties and the subject matter of the Action pursuant
to California Code of Civil Procedure Section 664.6. The Parties submit to the jurisdiction of the
Court for the purpose of effectuating this Settlement. The Action includes claims that, while
Fidelitone denies them in their entirety, would, if proven, authorize the Court to grant relief pursuant
to the statutes cited or relied upon therein.

23

4.

# STATEMENT OF NO ADMISSION.

4.1 Denial of Liability. Fidelitone denies any and all liability for Plaintiffs' causes of
 action and claims for relief asserted in the Action and Related Cases. This Agreement does not
 constitute, and is not intended to constitute, and will not be deemed to constitute, an admission by

27 28

-7-

Fidelitone as to the merits, validity, or accuracy of any of the claims or allegations made against it in the Action or Related Cases.

3 4.2 Use of Evidence. Nothing in this Agreement, or any action taken to implement it, 4 nor any statements, discussions or communications, nor any materials exchanged during the course 5 of the negotiations leading to the Agreement, is intended by the Parties to, nor will any of the 6 foregoing constitute, be introduced, be used or be admissible in any way in this Action or any other 7 judicial, arbitral, administrative, investigative or other forum or proceeding, as evidence of any 8 violation of any federal, state, or local law, statute, ordinance, regulation, rule or executive order, or 9 any obligation or duty at law or in equity. Notwithstanding the foregoing, this Agreement may be 10 used in any proceeding in the Court that has as its purpose the interpretation, implementation, or 11 enforcement of the Agreement or any orders or judgments of the Court entered into in connection 12 therewith.

4.3 No Admission of Liability. No evidence produced or created by Plaintiffs or any
Class Member in connection with the prosecution, settlement or administration of the Settlement
shall constitute, and will not be deemed to constitute, an admission by Fidelitone of any violation of
any federal, state, or local law, statute, ordinance, regulation, rule or executive order, or any
obligation or duty at law or in equity.

18 4.4 Propriety of Class Certification. Plaintiffs seek class certification under the terms 19 of this Agreement solely for the purpose of effectuating the Settlement. Nothing in this Agreement 20will be construed as a request, admission or acknowledgment of any kind by Fidelitone that any 21 class should be certified in the Action, in any of the Related Cases, or in any other action or 22 proceeding. Further, neither this Agreement nor the Court's actions with regard to this Agreement, 23 nor the actions of any Class Member with respect to this Agreement, will be admissible in any court 24 or other tribunal regarding the propriety of class certification. In the event that this Agreement is not 25 approved by the Court or any appellate court, or is terminated, or otherwise fails to be enforceable, 26 Fidelitone will not be deemed to have waived, limited, or affected in any way, any of its objections

27 28

1

or defenses in the Action or any Related Cases, including, but not limited to, its opposition to the certification of any class or subclass for the purpose of litigation.

No Preclusive Effect. Neither Plaintiffs nor Fidelitone concede the merits of the

4 other's contentions regarding the suitability of the Action or Related Cases for class certification 5 under the Code of Civil Procedure, but have agreed to resolve the Action and Related Cases through 6 this Settlement in recognition of the expense and risk of continuing with the Action and Related 7 Cases and in the belief that the Settlement is fair, adequate, and reasonable. Therefore, in entering 8 into this Agreement, it is the Parties' mutual intention and agreement that if the Settlement does not 9 become final as a consequence of any appeal taken from the Court's grant of Final Approval, the 10 class certification for purposes of this Settlement will be vacated, the Parties will retain all of their 11 respective rights to support or oppose certification for the purposes of litigation, and any certification 12 arising from the Court's Final Approval of this Settlement may not be used by the Parties in support 13 14 15 16 17 18 19

WAIVER AND RELEASE.

- of any argument for or against certification of any class or subclass. Neither the provisional certification nor, if ultimately approved, the certification of the Class to consummate this Settlement constitutes a determination by the Court that a plaintiff class should be certified for purposes of trial. Thus, if any appeal is successful in the Court of Appeal, the Court's certification of the class for settlement purposes shall be deemed void nunc pro tunc. This Agreement is explicitly conditioned on the Court's confirmation that its approval of class certification for settlement purposes pursuant to this Agreement shall not be accorded res judicata, judicial estoppel, collateral estoppel, or any other form of preclusive effect concerning the suitability of the Action or Related Cases for certification under the California Code of Civil Procedure in the event that the Settlement does not become final as a consequence of any appeal from the Court's Order of Final Approval. In the event that the Court fails to adopt the foregoing acknowledgement in its orders, Fidelitone shall be entitled, in its sole discretion, to withdraw from this Settlement and the Parties shall return to the status quo ante as though they had not entered into this Agreement.

all Settlement Class Members, and their respective heirs, executors and assigns, hereby waive,
release, and discharge all claims, rights, demands or causes of action against Fidelitone under any
California statutory or common law that were asserted in the Action or Related Cases, or that

20 For the avoidance of doubt, the Released Class Claims covered by this Settlement include 21 any and all claims, rights, demands or causes of action that were brought or could have been brought 22 in the Action or Related Cases on behalf of Plaintiffs, all Settlement Class Members, and the entities 23 owned and controlled by Contract Carriers which contracted with Fidelitone to perform services 24 during the Claims Period, under any state or local statutory or common law, including, but not 25 limited to, California Labor Code §§ 201-204, 205.5, 210, 221-223, 226, 226.7, 226.8, 510, 512, 26 558, 1174, 1194, 1197, 1197.1, 1199, and 2802; all related provisions of the California Industrial 27 Welfare Commission Wage Orders, California Business and Professions Code §§ 17200 et seq., 28 -10California Code of Civil Procedure § 1021.5, and the laws of contract, torts and equity that relate to
the claims asserted in the Action and Related Cases.

5

6

**5.2 PAGA Release.** Plaintiffs, on behalf of themselves and all Aggrieved Employees, and their respective heirs, executors and assigns, hereby waive, release, and discharge all claims, rights, demands or causes of action against Fidelitone for civil penalties pursuant to the PAGA as alleged in the operative Complaints and LWDA notices filed therein, as follows:

7 Any and all claims for: unpaid minimum wages; unpaid overtime wages; unlawful 8 deductions from wages; failure to reimburse work-related expenses; failure to provide meal periods 9 or pay premium wages in lieu thereof; failure to authorize and permit rest periods or pay premium 10 wages in lieu thereof; failure to furnish accurate itemized wage statements; failure to pay all final 11 wages due upon termination; and unfair, unlawful or fraudulent business acts or practices; 12 conversion; common count; fraud; breach of contract; and unjust enrichment, based upon any of the 13 conduct alleged therein which arose out of their work for Fidelitone in the State of California during 14 the PAGA Period (collectively "Released PAGA Claims").

15 For the avoidance of doubt, the Released PAGA Claims covered by this Settlement include 16 any and all claims for civil penalties that were brought in the Action or Related Cases on behalf of 17 Plaintiffs, all Aggrieved Employees, and the entities owned and controlled by Contract Carriers 18 which contracted with Fidelitone to perform services during the PAGA Period, under any state or 19 local statutory or common law, including, but not limited to, California Labor Code §§ 201-204, 20205.5, 210, 221-223, 226, 226.7, 226.8, 510, 512, 558, 1174, 1194, 1197, 1197.1, 1199, 2698, et 21 seq., and 2802; all related provisions of the California Industrial Welfare Commission Wage Orders, 22 California Business and Professions Code §§ 17200 et seq., California Code of Civil Procedure § 23 1021.5, and the laws of contract, torts and equity that relate to the claims asserted in the Action and 24 Related Cases. Aggrieved Employees have no rights to opt-out of the PAGA Settlement Amount and 25 will release the Released PAGA Claims regardless of any submission of a Timely Written Request 26 To Opt-Out.

27 28

-11-

1	5.3 Plaintiffs' General Release and Waiver of Claims. With respect to the Plaintiffs
2	only, the Released Claims include, in addition to the above, any and all causes of action, claims for
3	relief, lawsuits, allegations, charges, complaints, debts, liens, contracts, agreements, promises,
4	liabilities, demands, damages, losses, rights, benefits, obligations, attorneys' fees, costs or expenses
5	of any kind or nature whatsoever, in law, equity or otherwise, whether known or unknown, whether
6	or not pending before a court, administrative agency, government authority, or otherwise, which
7	Plaintiffs now have, may claim to have, or at any time heretofore have had or claimed to have had,
8	against Fidelitone, including, without limiting the general nature of the foregoing, any and all such
9	claims which arose out of or in any way are related to Plaintiffs' relationships with and work for
10	Fidelitone at any time from the start of the Claims Period through and including the dates they each
11	sign this Agreement. This general release and waiver of claims by Plaintiffs encompasses both
12	known and unknown claims as described above, and therefore, Plaintiffs agree to waive the
13	provisions of California Civil Code section 1542 which states as follows:
14	A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT
15	THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF
16	EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER

18	5.4 <b>Releasees and Released Parties.</b> Upon Final Approval of the Settlement, the waiver
19	and release of claims by Plaintiffs, Settlement Class Members, and Aggrieved Employees, shall be

22	ad litem, heirs, successors, and assigns. Further, all waivers and releases of claims in this Section 5
23	shall inure to the benefit of Fidelitone and its predecessors and successors, as well as all of its
24	current, former and future subsidiaries, affiliates, and parent companies, and each of their respective
25	officers, directors, shareholders, members, partners, insurers, agents, administrators, executors and

Before mailing this Notice, 15 the Settlement Administrator shall conduct a "national change of address search." The Settlement 16 Administrator will use reasonable efforts, including tracing, to identify the correct address and re-17 mail all returned, undelivered mail within five (5) days of receiving notice that a Class Notice was 18 undeliverable. The Parties agree to cooperate with the Settlement Administrator to locate Class 19 Members and Aggrieved Employees, if necessary.

20Class Notice Content to Settlement Class Members and Aggrieved Employees 6.2 21 for Whom the Settlement Administrator Lacks a TIN. The Class Notice to these Settlement Class 22 Members and Aggrieved Employees should include the following information: (1) the contact 23 information of Class Counsel; (2) a website address maintained by the Settlement Administrator 24 with links to the Class Notice, Preliminary Approval Motion, Final Approval Motion, Attorney's 25 Fees Motion, and any other important documents; (3) instructions on how to access the case docket 26 on the Court website or in person at the Court; (4) the date of the Final Approval hearing, clearly 27 stating that the date may change without further notice to Settlement Class Members and Aggrieved

1 Employees, and that Settlement Class Members and Aggrieved Employees should check the 2 settlement website for confirmation of the date; (5) be provided in Spanish and English; and (6) 3 information explaining the Action and the Settlement; (7) the opt-out and objection procedures and 4 consequences of choosing these procedures; (8) explanation of the Released Claims; and (9) an 5 estimate of the Settlement Class Member's Individual Settlement Share and Aggrieved Employee's 6 PAGA Settlement Share as calculated by the Settlement Administrator. The Notice to these Class 7 Members and Aggrieved Employees shall also explain that, because the Settlement Administrator 8 does not have their Taxpayer Identification Number (TIN), the Settlement Class Members and 9 Aggrieved Employees will have to submit to the Settlement Administrator an IRS W-9 Form (or 10 equivalent) within the time frames specified in this Agreement in order to receive their Individual 11 Settlement Share. The W-9 Form (or equivalent) will be included with the Notice Packet provided to 12 these Settlement Class Members and Aggrieved Employees.

13

6.3 **Objections to Settlement.** All objections to the Settlement must be submitted to the 14 Settlement Administrator no later than 45 days after the Settlement Administrator's First Mailing 15 Date of the Class Notice. If the Settlement Administrator performs the duties that it is required to 16 perform pursuant to this Settlement, the deadline to file Timely Written Objections shall be enforced 17 notwithstanding any assertion that the Class Notice was not received. Any and all Timely Written 18 Objections received by the Settlement Administrator shall be forwarded to the Parties' counsel 19 within two (2) business days of the Settlement Administrator's receipt of the objection. Submitting a 20 Timely Written Objection is not the equivalent of opting out.

21 6.4 **Opportunity to Opt-Out.** To opt-out of the Settlement Class, a Class Member must 22 provide the Settlement Administrator with a Timely Written Request To Opt Out (i.e., it must be 23 postmarked no later than 45 days after the First Mailing Date). Within ten (10) days following the 24 last day to opt out, the Settlement Administrator shall provide by email or facsimile to counsel for 25 the Parties the names and addresses of those Class Members who have submitted opt-out requests. 26 In order to be valid, a Timely Written Request to Opt Out must state the Class Member name, 27 contain the last four digits of his/her social security number, be dated and signed by the Class

28

-14-

Member and be timely received by the Settlement Administrator. All Class Members shall be bound
 by all of the terms of the Settlement Agreement and Judgment unless a Timely Written Request to
 Opt Out is received by the Settlement Administrator. Aggrieved Employees have no rights to opt-out
 of the PAGA Settlement Amount and will release the Released PAGA Claims regardless of any
 submission of a Timely Written Request To Opt-Out.

6 6.5 Opportunity to Withdraw from Settlement. If the number of Class Members who
7 submit a Timely Written Request to Opt Out of the Settlement Class exceeds five percent (5%) of
8 the total number of Class Members, then Fidelitone shall have the right and option to unilaterally
9 withdraw from and rescind the Settlement. To withdraw from the Settlement, Fidelitone first must
10 provide written notice to Class Counsel within ten (10) calendar days after receipt of the above11 described facsimile notice from the Settlement Administrator that identifies the Class Members who
12 have submitted Timely Written Requests to Opt Out of the Settlement.

- 13 6.6 Timeliness. Opt-outs and/or objections postmarked after the time periods set forth in
  14 Sections 6.3 and 6.4 are conclusively untimely and invalid.
- 6.7 No Solicitations. At no time shall any of the Parties or their counsel seek to solicit or
  otherwise encourage Class Members to submit objections to the Settlement, requests to opt out of the
  Settlement, or appeal from the Final Approval Order and Judgment.
- 18 7. <u>PAGA PENALTIES.</u>

19 Class Counsel represent and warrant that the LWDA was duly notified of the alleged Labor 20 Code violations asserted in the Action as required by PAGA, and that the LWDA did not respond to 21 said notices with an expressed intention to investigate within the time period prescribed by law. 22 Subject to review and approval by the Court as required by California Labor Code section 2699(1), 23 the Parties have agreed that the sum of Fifty Thousand Dollars and No Cents (\$50,000) shall be paid 24 from the Gross Settlement Sum in full and final satisfaction of any and all PAGA claims, including 25 PAGA Penalties, asserted in the Action and Related Cases, and that 75% of such amount, or Thirty-26 Seven Thousand Five Hundred Dollars (\$37,500), shall be paid to the LWDA as required by Labor 27 Code section 2699(i) (the "LWDA Payment"), with the remaining 25%, Twelve Thousand Five 28 -15Hundred Dollars (\$12,500), to be distributed to all Aggrieved Employees as the Aggrieved
 Employee Payment.

8. <u>ADMINISTRATION</u>.

3

8.1 Opt Out Settlement. Class Members and Aggrieved Employees are not required to
file claims to be paid the payments provided by this Agreement. Rather, all Class Members and
Aggrieved Employees shall be paid the amounts calculated pursuant to Section 9 below from the Net
Settlement Amount unless they submit a Timely Written Request to Opt Out in accordance with
Section 6.4 above.

8.2 Settlement Administrator. The Settlement Administrator will mail the Class Notice
to the Class Members and Aggrieved Employees. The Settlement Administrator will date stamp all
incoming written communications from Class Members and Aggrieved Employees, including but
not limited to, objections and opt-outs. The Settlement Administrator will also disburse and
calculate the Individual Settlement Shares to be paid from the Net Settlement Amount. All
Settlement Administrator Costs shall be paid from the Gross Settlement Fund.

15 8.3 Determination of Individual Settlement Shares. Individual Settlement Shares to be 16 paid from the Net Settlement Amount to Settlement Class Members shall be determined based upon 17 information from Fidelitone's records (e.g., identification of Class Members and number of 18 Workweeks worked by each Class Member during the Claims Period) and calculated pursuant to 19 Section 9 below. Fidelitone shall provide to the Settlement Administrator the information required 20by this Agreement in electronic form. The Settlement Administrator shall perform the required 21 calculations pursuant to Section 9 below and shall provide Class Counsel and Fidelitone, in 22 electronic form, the proposed Individual Settlement Share payments that were calculated pursuant to 23 Section 9 below.

8.4 Determination of PAGA Settlement Shares. PAGA Settlement Shares to be paid
from the PAGA Settlement Amount to Aggrieved Employees shall be determined based upon
information from Fidelitone's records (*e.g.*, identification of Aggrieved Employees and number of
Workweeks worked by each Aggrieved Employee during the PAGA Period) and calculated pursuant

28

-16-

to Section 9 below. Fidelitone shall provide to the Settlement Administrator the information required
by this Agreement in electronic form. The Settlement Administrator shall perform the required
calculations pursuant to Section 9 below and shall provide Class Counsel and Fidelitone, in
electronic form, the proposed PAGA Settlement Share payments that were calculated pursuant to
Section 9 below

6 8.5 Payment of Individual and PAGA Settlement Shares. Individual and PAGA 7 Settlement Share payments to Class Members and Aggrieved Employees shall be sent by United 8 States mail, first class, postage prepaid, to the Settlement Class Member's and/or Aggrieved 9 Employee's last known mailing address. Notwithstanding the foregoing, no payment shall be mailed 10 to any Class Member or Aggrieved Employee whose Notice Packet was returned to the Settlement 11 Administrator after fully complying with Section 6 above. Checks issued to Settlement Class 12 Members and Aggrieved Employees shall contain a legend that they are in accord and satisfaction of 13 all claims alleged in the Action and Related Cases and shall be valid for 120 days. Individual and 14 PAGA Settlement Share checks may be negotiated in any lawful manner subject to applicable law 15 and the requirements of the institution that is negotiating such checks. The funds represented by any 16 checks that were not issued because a current address could not be obtained for a Class Member 17 and/or Aggrieved Employee by the Settlement Administrator, or checks that were mailed but not 18 timely cashed, shall be deemed residue. If the total amount of the residue funds equals or exceeds 19 Ten Thousand Dollars (\$10,000), the Settlement Administrator shall re-distribute the residue to 20Settlement Class Members and Aggrieved Employees in accordance with Section 9.1.1. If the total 21 amount of the residue funds is less than Ten Thousand Dollars (\$10,000), those funds shall be 22 distributed in accordance with Section 384 of the California Code of Civil Procedure to Legal Aid at 23 Work, the cy pres recipient selected by the Parties, subject to Court approval.

8.6 Weekly Status Reports. The Settlement Administrator shall provide the Parties,
through counsel, a weekly status report wherein it will inform Class Counsel and Fidelitone's
counsel of the number of Class Notices mailed, the number of Class Notices returned as

28

-17-

undeliverable, the number of Class Notices re-mailed, the number of requests for exclusion or
objections received, and the number of IRS Form W-9s (or equivalent) received.

9.

### COMPUTATION AND DISTRIBUTION OF PAYMENTS.

9.1 Distribution Formula for Individual and PAGA Settlement Shares. Each
Settlement Class Member will receive as compensation for the claims alleged in the Action and
Related Cases, and for the waiver and release of claims set forth above in Section 5, an Individual
Settlement Share in an amount determined by the Settlement Administrator in accordance with the
following formulas:

9 Division of Net and PAGA Settlement Amounts. 9.1.1 The Net and PAGA 10 Settlement Amounts shall be divided, for distribution to Settlement Class Members and Aggrieved 11 Employees, into two parts as follows: (a) 55% to those Settlement Class Members and Aggrieved 12 Employees who worked for Fidelitone during the Claims Period and/or PAGA Period as Contract 13 Carriers; and (b) 45% to those Settlement Class Members and Aggrieved Employees who worked 14 for Fidelitone during the Claims Period and/or PAGA Period as Drivers and/or Helpers. Each of the 15 aforementioned portions of the Net and PAGA Settlement Amounts shall be allocated and paid to 16 Settlement Class Members and Aggrieved Employees in accordance with formula specified in 17 Section 9.1.2 and 9.1.3 of this Agreement below.

18 9.1.2 Calculation of Individual Settlement Shares. The Parties recognize that the 19 damages and penalty claims in the Action and Related Cases are difficult to determine with any 20 certainty for any given worker or time period, and are subject to myriad different methods of 21 potential calculation and formulas. The Parties have agreed that, from each of the two portions of 22 the Net Settlement Amount identified in Section 9.1.1 above, the Settlement Administrator will 23 calculate the amount of the Individual Settlement Share due to each Settlement Class Member based 24 on the Workweeks of Settlement Class Member during the Claims Period, as reflected in 25 Fidelitone's records. Specifically, each Settlement Class Member's Settlement Award will be 26 calculated by multiplying the fraction x/y by the total of the applicable portion of Net Settlement 27 Amount (i.e., 55% for Contract Carriers or 45% for Drivers/Helpers, as applicable), where "x"

28

-18-

1 equals the total number of Workweeks for each Settlement Class Member, and "y" equals the total 2 number of Workweeks in which all Settlement Class Members worked for Fidelitone. The Parties 3 agree that this formula is reasonable and that the payments provided for herein are designed to 4 provide a fair settlement to all Settlement Class Members, in light of the uncertainties concerning the 5 compensation claimed to be owed to Settlement Class Members and the calculation of such amounts.

6

9.1.3 Calculation of PAGA Settlement Shares. The Parties recognize that the 7 penalty claims in the Action and Related Cases are difficult to determine with any certainty for any 8 given worker or time period, and are subject to myriad different methods of potential calculation and 9 formulas. The Parties have agreed that, from each of the two portions of the PAGA Settlement 10 Amount identified in Section 9.1.1 above, the Settlement Administrator will calculate the amount of 11 the PAGA Settlement Share due to each Aggrieved Employee based on the Workweeks of 12 Aggrieved Employee during the PAGA Period, as reflected in Fidelitone's records. Specifically, 13 each Aggrieved Employee's Settlement Award will be calculated by multiplying the fraction x/y by 14 the total of the applicable portion of Aggrieved Employee Payment (i.e., 55% for Contract Carriers 15 or 45% for Drivers/Helpers, as applicable), where "x" equals the total number of Workweeks for 16 each Aggrieved Employee, and "y" equals the total number of Workweeks in which all Aggrieved 17 Employees worked for Fidelitone. The Parties agree that this formula is reasonable and that the 18 payments provided for herein are designed to provide a fair settlement to all Aggrieved Employees, 19 in light of the uncertainties concerning the penalties claimed to be owed to Aggrieved Employees 20and the calculation of such amounts.

21 9.2. Tax Withholdings on Individual Settlement Shares. Each Settlement Class 22 Member's Individual Settlement Share will be apportioned as follows: 40% wages, 30% interest, and 23 30% penalties. The amounts paid as wages shall be subject to all tax withholdings customarily made 24 from an employee's wages and all other authorized and required withholdings and shall be reported 25 on IRS W-2 Forms issued by the Settlement Administrator on behalf of the qualified settlement 26 fund. Fidelitone shall pay the employer portion of all such tax withholdings on the Individual 27 Settlement Share amounts paid as wages separate from, and in addition to, the Gross Settlement

28

-19-

Fund. Payments of all amounts will be made subject to backup withholding unless a duly executed W-9 form is received from the payee(s). The Individual Settlement Share amounts paid as penalties and interest shall be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported on IRS 1099 Forms issued by the Settlement Administrator on behalf of the qualified settlement fund. Only the employee share of payroll tax withholdings shall be withheld from each Settlement Class Member's Individual Settlement Share.

9.3. Tax Withholdings on PAGA Settlement Shares. Each Aggrieved Employee's
PAGA Settlement Share will be apportioned as follows: 100% penalties. The PAGA Settlement
Share amounts shall be reported on IRS 1099 Forms issued by the Settlement Administrator on
behalf of the qualified settlement fund.

12 Reporting of Settlement Class and Settlement Payments. Within 21 days prior to 9.4. 13 the Court hearing on Final Approval of the Settlement, the Settlement Administrator shall file with 14 the Court a declaration stating the number of Class Notices mailed, undeliverable Class Notices, 15 Class Notices forwarded, address traces performed, Class Notices re-mailed, and Class Member opt-16 out requests and/or objections. Within fifteen (15) business days after entry of the Final Approval 17 Order, Fidelitone shall fund the Settlement by wiring the Gross Settlement Fund amount into an 18 account established by the Settlement Administrator. Within fifteen (15) business days after wiring 19 of the funds, the Settlement Administrator will distribute all payments due under the Settlement 20(other than the Settlement Administrator Costs).

9.5. Maintenance of Records. The Settlement Administrator shall maintain complete,
accurate, and detailed records regarding the administration of the Gross Settlement Fund, including
but not limited to, any and all receipts by and disbursements from the Gross Settlement Fund. The
Settlement Administrator shall make such records available to counsel for the Parties or to their
designee upon reasonable request and at reasonable times. The documentation maintained by the
Settlement Administrator shall be sufficient to audit the administration of the Settlement including,
without limitation, the addresses to which Class Notice Packets and/or checks were sent and a list of

28

-20-

Individual and PAGA Settlement Share checks that were sent to Settlement Class Members and
Aggrieved Employees, but not cashed. Upon request, the Settlement Administrator shall provide
such records to counsel for the Parties in electronic form. The Settlement Administrator shall also
provide counsel for the Parties with periodic reports of the number of opt out requests received from
Class Members. The Settlement Administrator shall maintain all records for a period of not less than
four (4) years after the date of entry of the Final Approval Order.

7

10.

# **CLASS REPRESENTATIVE ENHANCEMENTS**

8 10.1 Amount of Class Representative Enhancement Payments. The Parties agree that, 9 subject to Court approval, each of the Plaintiffs will receive, in addition to his or her individual 10 settlement award, a separate Class Representative Enhancement payment of Ten Thousand Dollars 11 (\$10,000.00), to be deducted from the Gross Settlement Fund, for his or her time and effort in 12 prosecuting the Action or Related Cases on behalf of the Class Members, for assuming the risk of 13 paying Fidelitone's costs in the event of an unsuccessful outcome, and in consideration for his or her 14 grant of a separate general release and waiver of all known and unknown claims against Fidelitone. 15 In the event the Court approves a Class Representative Enhancement to any Plaintiff in an amount 16 less than identified above, the balance amount shall be included in the Net Settlement Amount for 17 distribution among all Settlement Class Members.

18 10.2 Tax Treatment. An IRS 1099 Form will be issued to each of the Plaintiffs for his or 19 her Class Representative Enhancement. Plaintiffs hereby agree that they are solely responsible for 20 the payment of all taxes and other related contributions, if any, due as a result of the Class 21 Representative Enhancements paid pursuant to this Agreement. The Parties warrant, represent and 22 agree that no one has provided tax advice to the other and that any responsibility or liability for any 23 tax matters relating to any payments made under this Agreement including, but not limited to, the 24 withholding of, or reporting of taxes, on any payment to Plaintiffs or other Settlement Class Member 25 and Aggrieved Employee. Each Settlement Class Member and Aggrieved Employee is advised to 26 consult with his or her own tax advisor concerning the tax consequences of the Settlement to him or 27 her.

1

#### 11. ATTORNEYS' FEES AND COSTS.

2 The Settlement Administrator shall pay from the Gross Settlement Fund the following
3 attorneys' fees and costs:

4 Attorneys' Fees. In connection with the Final Approval Motion, Class Counsel shall 11.1 5 file a motion with the Court seeking approval of an award of attorneys' fees for all past and future 6 work necessary to prosecute, settle and administer the Action and Related Cases and this Settlement 7 in an amount not greater than 33 1/3 % of the Gross Settlement Fund, or Three Hundred Thirty-8 Three Thousand and Three Hundred Dollars and No Cents (\$333,300). The "future" aspect of this 9 amount includes, without limitation, all time expended by Class Counsel in defending the Settlement 10 and securing Final Approval (including any appeals thereof) and assisting in the administration of 11 the Settlement as necessary. Any and all such future work shall be performed at no additional 12 charge to either the Class Members or Fidelitone. Fidelitone agrees not to oppose such motion. Any 13 attorneys' fees awarded by the Court to Class Counsel shall be paid to Class Counsel and such 14 payment may be wired or mailed. Fidelitone shall not be responsible for, or liable in connection 15 with any dispute over, the apportionment of attorney's fees between the Class Counsel law firms. In 16 the event the Court approves an award of attorneys' fees in an amount less than the maximum 17 amount stated above, the balance amount shall revert to the Net Settlement Amount for distribution 18 among all Settlement Class Members.

19 **Costs.** In connection with the Final Approval Motion, Class Counsel shall file a 11.2 20 motion with the Court seeking approval of an award of actual and reasonable costs in an aggregate 21 amount that does not exceed the sum of \$30,000. Fidelitone agrees not to oppose such motion and, 22 subject to Court approval, such sums shall be paid from the Gross Settlement Fund as approved by 23 the Court. Any costs awarded by the Court to Class Counsel shall be paid to Class Counsel and 24 may be wired or mailed. In the event the Court approves an award of attorneys' fees to Class 25 Counsel in an amount less than the maximum amount stated above, the balance amount shall revert 26 to the Net Settlement Amount for distribution among all Settlement Class Members.

1

12.

# COURT APPROVAL.

2 This Agreement is contingent upon Preliminary Approval and Final Approval of the 12.1 3 Settlement (including any appeals thereof) and the non-withdrawal of Fidelitone from the Settlement 4 as authorized by Section 6.5 above.

5 The Parties agree to take all steps as may be reasonably necessary to secure approval 12.2 6 of the Settlement, to the extent not inconsistent with the terms of this Agreement and any other 7 agreement by and between Plaintiffs and Class Counsel, and will not take any action adverse to each 8 other in obtaining Court approval, and, if necessary, appellate approval, of the Settlement in all 9 respects. Plaintiffs and Class Counsel expressly agree that they will not file any objection (as 10 opposed to request for correction) to the terms of this Agreement or assist or encourage any person 11 or entity to file any such objection or to opt-out of the Settlement.

12

#### 13. FINAL ACCOUNTING.

13 13.1 Final Accounting. No later than 30 calendar days after the occurrence of both the 14 Final Approval and the distribution of all payments to be made pursuant to the terms of this 15 Agreement, the Settlement Administrator shall submit to the Parties and file with the Court a final 16 accounting of all monies paid from the Gross Settlement Fund.

17 No Further Obligations. Upon receipt of the final accounting referenced in Section 13.2 18 13.1 and the payment of the monies required to be paid from the Gross Settlement Fund, Fidelitone 19 shall have no obligation to provide further any funding pursuant to this Agreement.

20 14.

**15.2 Interpretation of the Agreement/Continuing Jurisdiction.** The Agreement will be interpreted and enforced under the laws of the State of California. The Court shall retain jurisdiction with respect to the interpretation, implementation and enforcement of the terms of this Agreement and all orders and judgments entered in connection therewith, and the Parties and their counsel submit to the exclusive jurisdiction of the Court and consent to the personal jurisdiction of this Court over each of them for the purpose of interpreting, implementing and enforcing the settlement embodied in this Agreement and all orders and judgments entered in connection therewith.

10 15.3 Final Agreement. The terms and conditions of this Agreement constitute the 11 exclusive and final understanding and expression of all agreements between the Parties with respect 12 to the resolution of the Action and Related Cases. Plaintiffs, on their own behalves and on behalf of 13 the class and aggrieved employees they represent, and Fidelitone, have agreed to enter into this 14 Agreement based solely upon its terms and not in reliance upon any representations or promises 15 other than those contained in this Agreement. Notwithstanding the foregoing, this Agreement may 16 be amended or modified by a written instrument signed by counsel for all Parties or their successors-17 in-interest, subject to approval by the Court.

18 15.4 Counterparts. This Agreement may be executed in one or more counterparts, all of 19 which will be considered one and the same instrument and all of which will be considered duplicate 20 originals. Copies of the executed agreement shall be effective for all purposes as though the 21 signatures contained therein were original signatures. The execution of this Agreement by digital or 22 electronic signatures, and/or by a PDF file copy attached to an email exchanged by the Parties' 23 attorneys shall have the same force and effect as the signing of an original, and any such digital, 24 electronic or PDF file email signature shall be deemed an original and valid signature.

15.5 Authority. Counsel for the Parties warrant and represent that they are expressly authorized by the Parties whom they represent to negotiate this Agreement and to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to

28

-25-

effectuate its terms, and to execute any other documents required to effectuate the terms of this
 Agreement. Each individual signing below warrants that she or he has the authority to execute this
 Agreement on behalf of the Party for whom or which that individual signs.

4 15.6 No Third-Party Beneficiaries. The individual Plaintiffs, Class Members and
5 attorneys for Plaintiffs, and Fidelitone, are direct beneficiaries of this Agreement, but there are no
6 third-party beneficiaries.

7 15.7 Costs of Administration. The Class Members and Class Counsel shall not have any
8 responsibility or liability with respect to any administrative costs incurred in connection with the
9 administration of this settlement. All charges for administration shall be paid from the Gross
10 Settlement Fund as required by this Agreement.

11 15.8 No Continuing Liability. No person shall have any claim against Fidelitone, the
 12 Class Members, Plaintiffs or Class Counsel, based on distributions or payments made in accordance
 13 with this Agreement.

14 15.9 Lapse. If this Agreement is not approved, or is terminated, rescinded, canceled, or
15 fails to become effective for any reason, and Final Approval does not occur, then no funds shall be
16 paid from the Gross Settlement Fund and any previously paid monies, except Settlement
17 Administrator Costs, shall be returned to Fidelitone.

18 15.10 Injunctive Relief. As part of this Agreement, Fidelitone shall not be required to
 19 enter into any consent decree, nor shall Fidelitone be required to agree to any provision for
 20 injunctive or prospective relief.

15.11 Confidentiality. Until this Agreement is submitted to the Court for Preliminary
Approval, Plaintiffs and Class Counsel may not disclose the specific terms of this Agreement except
that they may, if required by law or if necessary to effectuate the terms of this Agreement, comment
regarding the specific terms of this Agreement. In all other cases, whether oral, written or electronic,
Plaintiffs and Class Counsel agree to limit their statements regarding the terms of this Agreement to
say that the Action and Related Cases have been settled and that the Plaintiffs and Class Counsel are
satisfied with the Settlement terms. Neither Plaintiffs nor Class Counsel shall issue any press release

28

-26-

or hold any press conference disclosing the terms of this Agreement. Nothing contained in this
Paragraph shall limit or restrict Class Counsels' ability to file a declaration with any court that
identifies this case by name and case number and provides any information about this case and the
Settlement in such declaration reasonably necessary to the filing with such court.

5 15.12 Exhibits. The terms of this Agreement include the terms set forth in any of the
attached Exhibits "1" through "4", which are incorporated by this reference as though fully set forth
herein. The Exhibits to this Agreement are an integral part of the Agreement. In the event of any
conflict between the Agreement and the Exhibits, the terms of the Agreement shall control (until
such time as the Exhibits constituting Court orders are entered by the Court, in which event said
orders shall control).

11 15.13 Further Acts. The Parties and their respective counsel will cooperate with each 12 other and use their best efforts to effect the implementation of the Agreement. In the event the 13 Parties are unable to reach agreement on the form or content of any document needed to implement 14 the Agreement, or on any supplemental provisions that may become necessary to effectuate the 15 terms of this Agreement, the Parties may seek the assistance of the Court to resolve such 16 disagreement.

17 15.14 Construction. All Parties cooperated in the drafting and preparation of this
18 Agreement. Hence, any construction of this Agreement shall not be construed against any of the
19 Parties and before declaring any provision of this Agreement invalid, the Court shall first attempt to
20 construe the provisions valid to the fullest extent possible consistent with applicable precedents so as
21 to render all provisions of this Agreement valid and enforceable.

15.15 Fidelitone's Costs. All of Fidelitone's attorney's fees and costs incurred in the
 Action and Related Cases shall be borne by Fidelitone from its separate funds and not paid from the
 Gross Settlement Fund.

15.16 Plaintiffs' Duties. Plaintiffs agree to sign this Agreement, and by doing so, to be
bound by its terms.

public; and

k. committed violations of the Private Attorneys General Act of 2004 ("PAGA")
3. The foregoing acts and other acts by Defendants - committed throughout California and San Bernardino County - violated provisions of the California Labor Code, including sections 201, 202, 203, 204, 210, 226, 226.7, 226.8, 246, 510, 512, 515, 551, 552, 558, 1194, 1198, and 2802 (collectively, "Employment Laws"), violated the applicable Wage Orders issued by California's Industrial Welfare Commission, including Wage Orders 9-2001 during the Class Period ("Regulations"), violated California's Unfair Business Practices Act, California Business & Professions Code sections 17200 *et seq.*, and violated Plaintiff's rights.

#### JURISDICTION AND VENUE

4. Venue is proper in this Judicial District and the County of San Bernadino because work was performed by Plaintiffs and other members of the Class for Defendants in the County of San Bernardino, California, and Defendants' obligations under the Employment Laws and Regulations to pay overtime wages, to provide meal and rest periods and accurate wage statements to Plaintiffs and other members of the Class arose and were breached in California, including the County of San Bernardino.

5. The California Superior Court has jurisdiction in this matter because Plaintiffs are residents of California, and Defendants are corporations qualified to do business in California and regularly conduct business in California. Further, no federal question is at issue as the claims are based solely on California law.

6. Plaintiffs are informed and believe and on that basis alleges that Defendant FIDELITONE LAST MILE, INC., as a foreign corporation, has not designated any county in California as its principal place of business. As such, venue is proper in any county in California.

#### THE PARTIES

7. Plaintiffs ASHLEY CABALLERO, AMERICA CABALLERO, and LUIS VENEGAS are, and at all relevant times were, competent adults residing in California. Plaintiffs brings suit on behalf of themselves and all similarly situated individuals pursuant California Code of Civil Procedure section 382, and California Business & Professions Code sections 17200, *et seq.* Plaintiffs were

unlawfully classified by Defendant Fidelitone Last Mile, Inc. as an independent contractor and worked as a Driver and/or Helpers in California.

8. Defendant FIDELITONE LAST MILE, INC. is, and at all relevant times was, a Delaware corporation registered with the State of California's Secretary of State. Fidelitone provides logistics and delivery services to its retail merchants like Pottery Barn, Williams-Sonoma, and others, to deliver product and services to their clients' customers. Fidelitone utilizes Delivery Drivers to pick up the merchandise at the merchants' stores or warehouses and to deliver and install them at the customers' homes or businesses. FIDELITONE is therefore a provider of managed transportation services including the planning and execution for "last mile" delivery of its retail merchant clients. FIDELITONE has engaged in unlawful employment practices addressed in this Complaint throughout California and in San Bernardino County.

9. Plaintiffs are informed and believe and based thereon alleges that Defendants uniformly apply their pay practices, and overtime policies to all Drivers and Driver Assistants. Plaintiffs are currently unaware of the true names and capacities of the defendants sued in this action by the fictitious names DOES 1 through 25, inclusive, and therefore sue those defendants by such fictitious names.

10. Plaintiffs will amend this Complaint to allege the true names and capacities of such fictitiously named defendants when they are ascertained.

11. Plaintiffs are informed and believe and based thereon alleges that each defendant sued in this action, including each defendant sued by the fictitious names DOES 1 through 25, inclusive, is responsible in some manner for the occurrences, controversies and damages alleged below.

12. Plaintiffs are informed and believe and based thereon alleges that DOES 1 through 25, inclusive were the agents, servants and/or employees of Defendants and, in doing the things hereinafter alleged and at all times, were acting within the scope of their authority as such agents, servants and employees, and with the permission and consent of Defendants.

13. Plaintiffs are informed and believe and based thereon alleges that Defendants ratified,authorized, and consented to each and all of the acts and conduct of each other as alleged herein.

27 14. Plaintiffs are informed and believe and based thereon alleges that Defendants, and each
28 of them, were their employer under California law, that Defendants did acts consistent with the

existence of an employer-employee relationship with Plaintiffs despite their unlawful classification of Plaintiffs as independent contractor.

#### FACTS COMMON TO ALL CAUSES OF ACTION

15. Defendants unlawfully classified Plaintiffs and other similarly situated individuals as independent contractors when, in fact, they were heavily regulated through a series of work-related restrictions and directives through Defendants.

16. Specifically, Fidelitone secures truck owners and contracts with such truck owners for purposes of delivering, installing, and picking up of merchandise and products to Fidelitone's clients' customers. These truck owners go to the warehouses of Fidelitone 's clients and go through a hiring process with Fidelitone's employees who are officed at the same site. Truck owners are hired by Fidelitone. Truck owners then bring on drivers and driver assistants who are also evaluated by Fidelitone for hiring purposes. Delivery Drivers provide "last mile" delivery, installation, and haul away services. These services are integral and essential to Fidelitone's core business.

17. Fidelitone's "Carrier/Independent Contractor Agreement" ("Agreement") with Delivery Drivers, states that the Delivery Drivers are independent contractors. The Agreements are contracts of adhesion that are drafted exclusively by Fidelitone and/or on its behalf by its agents. The terms of the Agreement are non-negotiable. Through this agreement, Fidelitone reserves and actually exercises the right to control the manner and means by which the Delivery Drivers perform their duties for Fidelitone.

18. Fidelitone has a series of directives that Delivery Drivers must abide by despite the fact that Fidelitone unlawfully classifies them as independent contractors. Fidelitone reserves the right to determine the locations where the Delivery Drivers pick up and drop off the merchandise assigned to them; the time of day when they must report to work; and the order and timing of their deliveries. Fidelitone provides each Delivery Driver a daily manifest of work assignments that includes the delivery address, the "service window" time when the delivery must be made, and whether the 26 Delivery Driver is required to call the customer 30 minutes ahead of arrival to give notice of when he will make the delivery. The Delivery Drivers must complete all of the work assigned to them and are 28 not allowed to refuse assignments. Fidelitone reserves the right to control the Delivery Drivers'

physical appearance, including requiring them to wear Fidelitone uniforms. Fidelitone also reserves the right to require the Delivery Drivers to know and follow Fidelitone's customer service standards in performing their work, and conduct surveys to determine whether customers are satisfied with the Delivery Drivers' work.

19. Fidelitone further reserves the right to require the Delivery Drivers to follow certain work methods related to, for example, how to move and install the appliances and how to interact with customers. Fidelitone determines the year, branding, and other specifications of the vehicles that the Delivery Drivers use to perform their work. Fidelitone prescribes how the Delivery Drivers document their work and require the Delivery Drivers to contact Fidelitone upon arrival at each stop and then again after the delivery is completed. Fidelitone also reserves the right to require the Delivery Drivers to call each customer 30 minutes before making the delivery to let the customers know they are on their way. Fidelitone employs a variety of managerial and supervisory employees who instruct the Delivery Drivers on their job performance and their delivery assignments. The Delivery Drivers interact with Fidelitone's personnel on a daily basis. Fidelitone's managerial and supervisory employees also hold regular in-person and/or telephonic meetings where the Delivery Drivers' attendance is mandatory.

20. The Delivery Drivers are paid each week by Fidelitone a flat amount for each delivery, or for each day or week of work, in amounts that are unilaterally determined by Fidelitone. Fidelitone makes deductions from the Delivery Drivers' pay for reasons including customer complaints, late deliveries, and damaged items and property. Fidelitone requires Delivery Drivers to pay for payroll administration services from Contractor Management Services LLC d/b/a Openforce and deducts money from Delivery Drivers' weekly pay for these services. This "flat rate" constitutes an unlawful piece-rate compensation system because Delivery Drivers had no control over how many hours they worked and could do nothing to change the amount of pay through their own efficiencies.

5 21. Fidelitone requires the Delivery Drivers to purchase multiple forms of insurance 6 coverage in amounts determined by Fidelitone through insurance plans specified and sometimes 7 negotiated by Fidelitone, and to name Fidelitone and its clients as additional "insureds." Fidelitone 8 further requires the Delivery Drivers to purchase or rent from Fidelitone's clients, certain tools and

equipment.

22. Fidelitone directs Delivery Drivers to engage helpers to deliver the assigned merchandise. Fidelitone prohibits the Delivery Drivers from working with helpers who have not been screened, qualified, and approved in advance by Fidelitone. Fidelitone expects helpers to follow the same work methods and standards it requires the Delivery Drivers to follow and to comply with all other requirements communicated by Fidelitone, including attendance at meetings held by Fidelitone management.

23. Fidelitone permits Delivery Drivers to engage other Drivers and/or Helpers at their own expense who have been screened, qualified, and approved by Fidelitone. Delivery Drivers may engage such Drivers and/or Helpers so that they are able to take a day off from work, such as for example when they are unable to come to work due to illness or so that they may have a day of rest. Fidelitone expects Drivers and/or Helpers to follow the same work methods and standards it requires the Delivery Drivers to follow and to comply with all other requirements communicated by Fidelitone, including following instructions given by Fidelitone managers and attending mandatory meetings.

24. The Delivery Drivers are economically dependent for their financial livelihood on Fidelitone, and Fidelitone is entirely dependent on the Delivery Drivers for the retail merchandise delivery service provided by Fidelitone to its clients. The Delivery Drivers are terminable at will. They may be terminated upon fifteen- or thirty-days written notice without cause or immediately for alleged breaches of the broadly-worded standards and obligations described in the Agreement.

25. The Agreements typically remain in effect for one year and are automatically renewed at the end of that period for another one-year term, unless either party gives notice of termination. Most of the Delivery Drivers have worked, or did work, for Fidelitone for several years. Despite Fidelitone's pervasive control over all aspects of its delivery service operation, including the details of the Delivery Drivers' work, Fidelitone has classified and treated the Delivery Drivers as "independent contractors." Fidelitone's classification and treatment of the Delivery Drivers as "independent contractors" rather than as "employees" is and during all relevant times has been unlawful.

COMPLAINT

#### **CLASS ACTION ALLEGATIONS**

26. Plaintiffs bring these claims as a class action pursuant to Code of Civil Procedure § 382 and Business and Professions Code §§ 17203 & 17204. Plaintiffs bring this action on Plaintiffs' own behalf and on behalf of the following class of individuals (the "Class" or "Class Members"):

All individuals employed by, or formerly employed by, Defendants as Contract Carriers, Drivers, and/or Helpers who worked in the State of California from April 6, 2016, and continuing while this action is pending.

27. All Delivery Drivers, i.e., Contract Carriers, Drivers, and Helpers, including Plaintiffs, are putative class members.

28. During the Class Period, by virtue of unlawfully classifying Plaintiffs and Class Members as independent contractors and compensating Class Members with a "flat rate" Defendants have routinely failed to compensate Delivery Drivers all of the wages they are due ("off-the-clock" work).

29. During the Class Period, Plaintiffs and Delivery Drivers were subject to Defendants' unlawful company practice of classifying them as independent contractors and paying them a daily flat sum of money when in fact they were subjected to the pervasive control of Defendants. All who were subject to this unlawful classification and compensation scheme suffered damages. Defendants applied this illegal wage device uniformly to all Delivery Drivers to the disadvantage of Class Members.

30. As a result, during the Class Period, Defendants have failed to provide Drivers and Helpers with accurate wage and hour statements since the daily "flat rate" did not fully compensate Delivery Drivers for all hours worked. Defendants have failed to provide Delivery Drivers with accurate wage and hour statements since the gross hours earned, total hours worked, all deductions made, net wages earned, and all applicable hourly rates in effect during each pay period and the corresponding number of hours worked at each hourly rate.

31. During the Class Period, Plaintiffs and Delivery Drivers have been required to work
more than eight hours per day and more than forty hours per workweek. Defendants have routinely
failed to compensate Delivery Drivers all of the overtime wages they are due.

32. During the Class Period, Defendants have failed to pay accrued wages and other compensation due immediately to Delivery Drivers who were terminated, and Defendants have failed to pay accrued wages and other compensation due within seventy-two hours to Delivery Drivers who ended their employment.

33. The proposed class is ascertainable in that its members can be identified using information contained in Defendants' payroll and personnel records.

34. The Delivery Drivers are so numerous, conservatively estimated to Numerosity. include over 40 Delivery Drivers, that joinder of each individual Class Member would be impracticable, and the disposition of their claims in a class action, rather than numerous individual actions, will benefit the parties, the Court and the interests of justice.

35. Commonality. There is a well-defined community of interest in the questions of law and fact involved in this action, because Defendants' failure to pay Delivery Drivers their wages or afford them the protections required under the Employment Laws and Regulations affects all Class Members. Common questions of law and fact predominate over questions that affect only individual Delivery Drivers, because all Delivery Drivers were subject to the uniform, unlawful pay practices and policies. The predominate questions of law and fact include, but are not limited to:

a.

Whether Defendants devised a scheme and/or plan to circumvent California wage and hour laws;

Whether Defendants' conduct was fraudulent and/or deceitful; b.

Whether Defendants' conduct violated the Employment Laws and c. Regulations; and

(i)	failed to compensate Plaintiffs and the Class Members
	for all hours worked;
(ii)	failed to compensate Plaintiffs and the Class Members at the
	(i) (ii)

applicable and legally-mandated minimum hourly rate then in effect;

- (iii) failed to provide Plaintiffs and the Class Members with timely and accurate wage and hour statements; and

- (iv) failed to maintain complete and accurate payroll records forPlaintiffs and the Class Members;
- Whether Defendants' systematic acts and practices violate, *inter alia*,California Business & Professions Code section 17200, *et seq*.

36. <u>Typicality</u>. Plaintiffs' claims are typical of those of the other Delivery Drivers because all Delivery Drivers share the same or similar employment duties and activities, all are automatically classified as independent contractors, and all have been denied the benefits and protections of the Employment Laws and Regulations in the same manner. Since Defendants have uniformly applied the same pay practices and policies to each Delivery Driver, Plaintiffs' claims are typical of the claims of all Delivery Drivers. Plaintiffs' claims are also typical because Plaintiffs have suffered the same damages as those suffered by all Class Members.

37. <u>Adequacy of Representation</u>. Plaintiffs can fairly and adequately represent and protect the interests of all Delivery Drivers in that Plaintiffs do not have disabling conflicts of interest which are antagonistic to those of all other Delivery Drivers. Plaintiffs seek no relief which is antagonistic or adverse to the other Class Members, and the infringement of their rights and the damages they have suffered are typical of all other Class Members. Plaintiffs' counsel is competent and experienced in litigating class actions in California based on large employers' violations of the Employment Laws and Regulations.

38. As mentioned above, to the extent that any Delivery Drivers entered into any arbitration agreement with any Defendant and such agreement purports to require arbitration, such agreement is void and unenforceable. Even if such agreement is deemed enforceable, however, class-wide arbitration is appropriate and should be utilized to obtain class-wide relief.

39. <u>Superiority of Class Action</u>. The nature of this action and the nature of laws available to Plaintiffs and the other Delivery Drivers in the putative Class make use of the class action a particularly efficient and effective procedure because:

a. For many of the Delivery Drivers, individual actions or other

individual remedies would be impracticable and litigating individual

actions would be too costly;

1

d.

1	b. The action involves a large corporate employer or employers (Fidelitone) and		
2	a large number of individual employees (Plaintiffs and the other Class		
3	Members), many with relatively small claims and all with common issues of		
4	law and fact;		
5	c. If the Delivery Drivers are forced to bring individual lawsuits, the		
6	corporate defendants would necessarily gain an unfair advantage, the		
7	ability to exploit and overwhelm the limited resources of individual		
8	Class Members with vastly superior financial and legal resources;		
9	d. The costs of individual suits would likely consume the amounts		
10	recovered;		
11	e. Requiring each Class Member to pursue an individual remedy would		
12	also discourage the assertion of lawful claims by current employees		
13	of Defendants, who would be disinclined to pursue an action against		
14	their present and/or former employer due to an appreciable and		
15	justified fear of retaliation and permanent damage to their immediate		
16	and/or future employment; and		
17	f. Common business practices Plaintiffs experienced are representative of		
18	those experienced by all Delivery Drivers and can establish the right of all		
19	Delivery Drivers to recover on the alleged claims.		
20	FIRST CAUSE OF ACTION		
21	FAILURE TO PAY MINIMUM WAGE

24	40. The allegations of each of the preceding paragraphs are realleged and incorporated		
25	herein by reference, and Plaintiff alleges as follows a claim of relief.		
26	41. At all times relevant to this complaint, Cal. Labor Code §§ 1182.11, 1182.12, and 1197,		
27	IWC wage order No. 9, and the Minimum Wage Order were in full force and effect and required that		
28	Defendant's California nonexempt employees receive the minimum wage for all hours worked

	COMPLAINT		

irrespective of whether nominally paid on an hourly, piece rate, or any other basis, at the rate of ten
dollars (\$10) per hour for work performed up through January 1, 2017, ten dollars and fifty cents
(\$10.50) per hour for work performance up through January 1, 2018, eleven dollars (\$11) per hour for
work performed up through January 1, 2019, twelve dollars (\$12) per hour for work performed up
through January 1, 2020, and thirteen dollars (\$13) per hour for work performed thereafter.

42. Defendants failed to pay Plaintiffs and putative class members for all hours worked at the statutory minimum wage rate, as required by law, including for work time spent at mandatory meetings; work time spent waiting to receive assignments and merchandise at Defendant's client's stores or warehouses; work time spent picking up and transporting "haul away" merchandise; and work time spent returning paperwork to Defendant's client's stores at the end of the workday.

43. At various times throughout the relevant statutory period, Defendants have caused Plaintiffs and putative class members to incur expenses and deductions that contributed to Defendants' failing to pay minimum wages for all hours worked, as required by law.

44. As a direct and proximate result of the acts and/or omissions of Defendants, Plaintiffs and putative class members have been deprived of minimum wages due in amounts to be determined at trial, and to additional amounts as liquidated damages, pursuant to Cal. Labor Code §§ 1194 and 1194.2.

45. By violating Cal. Labor Code §§ 1182.11, 1182.12, and 1197, IWC wage order No. 9, § 4, and the Minimum Wage Order, Defendants are also liable for civil penalties, interest and reasonable attorneys' fees and costs under Cal. Labor Code §§ 558, 1194, 1197.1.

53. The allegations of each of the preceding paragraphs are realleged and incorporated herein by reference, and Plaintiffs allege as follows a claim of relief.

[which includes] all reasonable costs, including, but not limited to, attorney's fees incurred by the employee enforcing the rights granted by this section."

55. As a direct consequence of discharging their duties for Defendants and/or obeying
Defendants' directions, Plaintiffs and putative class members have necessarily incurred expenses for
which they have not been indemnified by Fidelitone, including the purchase and/or lease and
depreciation of vehicles; fuel, maintenance, and other vehicle operating costs; various forms of
insurance; wages paid to Delivery Drivers; costs associated with lost or damaged merchandise and
other property damage; Fidelitone proprietary uniforms; certain tools and equipment Defendants have

required Plaintiffs and class members to purchase or rent from Fidelitone's clients; other
miscellaneous equipment including moving pads and blankets, dollies, hand tools, installation
supplies, GPS navigational equipment, and cellular telephones; fees for payroll administration

56. Defendants have failed to indemnify or in any manner reimburse Plaintiffs and putative class members for these expenditures and losses.

57. By requiring Plaintiffs and putative class members to pay expenses and cover losses that they incurred in direct consequence of the discharge of their duties for Defendants and/or in obedience of Defendants' direction, Defendants have violated and continues to violate Cal. Labor Code § 2802.

58. As a direct and proximate result of Defendants' conduct, Plaintiffs and putative class members have suffered substantial losses according to proof, as well as pre-judgment interest, costs, and attorneys' fees for the prosecution of this action, which losses are compensable under Cal. 59. Plaintiffs request relief as described below.

#### **FOURTH CAUSE OF ACTION**

#### UNLAWFUL DEDUCTIONS FROM WAGES

(CAL. LABOR CODE §§ 221 & 223; IWC WAGE ORDER NO. 9)

60. The allegations of each of the preceding paragraphs are realleged and incorporated herein by reference, and Plaintiffs allege as follows a claim of relief.

61. Cal. Labor Code § 221 provides: "It shall be unlawful for any employer to collect or receive from an employee any part of wages theretofore paid by said employer to said employee."

62. Cal. Labor Code § 223 provides: "Where any statute or contract requires an employer to maintain the designated wage scale, it shall be unlawful to secretly pay a lower wage while purporting to pay the wage designated by statute or by contract."

27 63. IWC wage order No. 9, § 8 provides that the only circumstance under which an
28 employer can make a deduction from an employee's wage due to cash shortage, breakage, or loss of

14

equipment is if the employer can show that the shortage, breakage, or loss was the result of the employee's gross negligence or dishonest or willful act.

64. These and related statutes, along with California's fundamental public policy protecting wages and wage scales, prohibit employers from subjecting employees to unanticipated or unpredicted reductions in their wages; making employees the insurers of their employer's business losses; otherwise passing the ordinary business losses of the employer onto the employee; taking deductions from wages for business losses in any form unless the employer can establish that the loss was caused by a dishonest or willful act, or gross negligence of the employee; or taking other unpredictable deductions that may impose a special hardship on employees.

65. Defendants have violated Cal. Labor Code §§ 221 and 223 and IWC wage order No. 9, § 8 by unlawfully taking deductions from Plaintiffs' and putative class members' compensation to cover certain ordinary business expenses of Defendants, including various forms of insurance; uniforms; payment services; equipment and tools; losses associated with lost or damaged merchandise and other property damage; gift cards and other payments given or reimbursed to customers who complain or are dissatisfied with service they received; and "charge-back" items Defendants claim to reserve the right to deduct from Plaintiff's and putative class members' pay.

66. Defendants have further violated Cal. Labor Code §§ 221 and 223 and IWC wage order No. 9, § 8 by unlawfully taking deductions from Plaintiffs' and putative class members' compensation for the purpose of establishing a reserve account to draw upon to cover ordinary business expenses, including compensation to customers complaining of damages to their merchandise or to their homes.

67. Because Defendants made unlawful deductions from Plaintiffs' and putative class members' compensation, they are liable to Plaintiffs and putative class members for the compensation that should have been paid but for the unlawful deductions, pursuant to Cal. Labor Code §§ 221 and 223 and IWC wage order No. 9, § 8.

68. By unlawfully deducting wages and failing to pay Plaintiffs and putative class
members, Defendants are also liable for penalties, interest and reasonable attorneys' fees and costs
under Cal. Labor Code §§ 218.5 and 1194.

Labor Code § 226.7(b) and IWC wage order No. 9, § 11(B).

73. By violating Cal. Labor Code §§ 226.7 and 512, and IWC wage order No. 9, §11, Defendants are also liable for penalties, reasonable attorneys' fees, and costs under Cal. Labor Code §§ 218.5 and 1194.

87. Cal. Labor Code § 203 provides that if an employer willfully fails to pay compensation promptly upon discharge, as required by § 201 or § 202, then the employer is liable for waiting time penalties in the form of continued compensation of up to 30 work days.

88. Defendants willfully failed to timely pay compensation and wages, including unpaid minimum wage, unpaid overtime pay, unreimbursed expenses and unreimbursed reserve accounts, unpaid premium pay for missed meal periods, and unpaid premium pay for missed rest periods to Plaintiffs and similarly situated putative class members no longer in Defendants' employ, upon termination of their employment. As a result, Defendants are liable to Plaintiffs and similarly situated putative class members for waiting time penalties, together with interest thereon and reasonable attorneys' fees and costs, under Cal. Your rights regarding each option, and the steps you must take to select each option, are summarized below and explained in more detail in this Notice.

### <u>Important Note</u>: Defendant will not retaliate against you in any way for either participating or not participating in this Settlement.

• DO NOTHING: If you do nothing and the Court grants final approval of the Settlement, you will become part of this Class Action and may receive a payment from the Settlement. You will be bound to the release of the Released Class Claims and Released PAGA Claims as

defined in the Settlement Agreement and the Final Judgment. You will also give up your right to pursue the Released Class Claims and Released PAGA Claims as defined in Section No. 9 below.

- OPT OUT: If you do not want to participate as a Class Member, you may "opt out," which will remove you from the Class and this Class Action. If the Court grants final approval of the Settlement, you will not receive a Settlement payment and you will not give up the right to sue Defendants and the Released Parties for the Released Class Claims. If you are an Aggrieved Employee, you will receive a portion of the PAGA Payment and be bound by the Released PAGA Claims, even if you opt-out of the settlement.
- **OBJECT:** You may file a legal objection to the proposed settlement. If you would like to object, you may not opt out of this case.

The procedures for opting out and objecting are set forth below in the sections entitled "How Do I Opt Out or Exclude Myself From This Settlement" and "How Do I Object To The Settlement?"

#### 7. How Do I Opt Out Or Exclude Myself From This Settlement?

To opt-out of the Settlement, a Class Member must provide the Settlement Administrator at [address] with a Timely Written Request To Opt Out (*i.e.*, it must be postmarked no later than 45 days after the First Mailing Date or [the Response Deadline]). In order to be valid, a Timely Written Request to Opt Out must state the Class Member name, contain the last four digits of his/her social security number, be dated and signed by the Class Member and be timely received by the Settlement Administrator. All Class Members shall be bound by all of the terms of the Settlement Agreement and Judgment unless a Timely Written Request to Opt Out is received by the Settlement Administrator.

The proposed settlement includes the settlement of claims for civil penalties under the PAGA. You may not request to be excluded from the settlement of a PAGA claim. Thus, if the court approves of the settlement, even if you request exclusion from the settlement, if you worked during the PAGA Period of April 28, 2019, through November 6, 2021, you will receive a portion of the PAGA Fund and will be deemed to have released the PAGA Released Claims. A request for exclusion will preserve your right to individually pursue only the remaining class claims.

#### 8. How Do I Object To The Settlement?

If you are a Class Member who does not opt out of the Settlement, you may object to the Settlement, personally or through an attorney, by submitting a written Objection to the Settlement Administrator at [address]. All objections to the Settlement must be submitted to the Settlement Administrator no later than 45 days after the Settlement Administrator's First Mailing Date of the Class Notice, or [the Response Deadline]. The objection will not be valid if it objects only to the appropriateness of the action or its merits.

Class Members who timely file valid objections to the Settlement may (though are not required to) appear at the Final Approval Hearing, either in person or through the objector's own counsel. If the Court rejects the Objection, the Class Member will receive a Settlement payment and will be bound by the terms of the Settlement.

#### 9. How Does This Settlement Affect My Rights? What are the Released Claims?

If the proposed settlement is approved by the Court, a Final Judgment will be entered by the Court. All Class Members who do not opt out of the Settlement will be bound by the Court's Final Judgment and will release Defendants and the Released Parties<sup>1</sup> from the Released Class Claims. The Released Class Claims are:

Any and all claims for: unpaid minimum wages; unpaid overtime wages; unlawful deductions from wages; failure to reimburse work-related expenses; failure to provide meal periods or pay premium wages in lieu thereof; failure to authorize and permit rest periods or pay premium wages in lieu thereof; failure to furnish accurate itemized wage statements; failure to pay all final wages due upon termination; and unfair, unlawful or fraudulent business acts or practices; conversion; common count; fraud; breach of contract; unjust enrichment; as well as any and all remedies available at law or equity on any of the foregoing claims, including without limitation, compensatory damages, wages, penalties, liquidated damages, interest, costs, attorneys' fees, restitution, punitive damages, declaratory relief, and injunctive relief, but only to the extent that such causes of action or claims for relief were asserted or reasonably could have been asserted by Plaintiffs or Class Members in the Action and/or Related Cases based upon any of the conduct alleged therein which arose out of their work for Fidelitone in the State of California during the Claims Period.

If you are an Aggrieved Employee, you will be bound by the Final Judgment and will release the Released Parties from the Released PAGA Claims, even if you opt-out of the settlement. The Released PAGA Claims are:

Any and all claims for: unpaid minimum wages; unpaid overtime wages; unlawful deductions from wages; failure to reimburse work-related expenses; failure to provide meal periods or pay premium wages in lieu thereof; failure to authorize and permit rest periods or pay premium wages in lieu thereof; failure to furnish accurate itemized wage statements; failure to pay all final wages due upon termination; and unfair, unlawful or fraudulent business acts or practices; conversion; common count; fraud; breach of contract; and unjust enrichment, based upon any of the conduct alleged therein which arose out of their work for Fidelitone in the State of California during the PAGA Period.

#### 10. How Much Can I Expect to Receive From This Settlement?

The total maximum amount that Defendant could be required to pay under this Agreement shall be up to but no more than \$1,000,000 ("Gross Settlement Fund" or "GSF").

The "Net Settlement Amount" or "NSA" means the portion of the Gross Settlement Fund, available for distribution to Class Members after the deduction of (1) the Class Representative Enhancement Payments to each named Plaintiff in an amount up to \$10,000 each, for prosecution of the Action, risks undertaken for the payment of attorneys' fees and costs, and a general release of all claims; (2) the Settlement Administration Costs to the Settlement Administrator in an amount estimated not to exceed \$20,000; (3) a payment of \$50,000 allocated to the PAGA claims; and (4) payment to Class Counsel in an amount not to exceed \$333,300 (33 1/3% of the Gross Settlement Amount) for attorneys' fees and an amount not to exceed \$30,000 for litigation costs. All of these payments are subject to court approval.

<sup>&</sup>lt;sup>1</sup> "Released Parties" means Defendant Fidelitone Last Mile, Inc. and its predecessors and successors, as well as all of its current, former and future subsidiaries, affiliates, and parent companies, and each of their respective officers, directors, shareholders, members, partners, insurers, agents, administrators, executors and assigns.

The PAGA Settlement Mount means the portion of the Gross Settlement Fund which is allocated to the compromise and release of Plaintiffs' claims in the Action and Related Cases for PAGA Penalties, i.e., Fifty Thousand Dollars (\$50,000). Of this \$50,000, 75%, or \$37,500, will be paid to the Labor and Workforce Development Agency ("LWDA") (the "LWDA Payment"), and the remaining 25%, or \$12,500, will be distributed to the Aggrieved Employees (the "Aggrieved Employee Payment").

#### A. How Will Settlement Payments Be Calculated?

The NSA and Aggrieved Employee Payments shall be divided, for distribution to Settlement Class Members and Aggrieved Employees, into two parts as follows: (a) 55% to those Settlement Class Members and Aggrieved Employees who worked for Fidelitone during the Claims Period and/or PAGA Period as Contract Carriers; and (b) 45% to those Settlement Class Members and Aggrieved Employees who worked for Fidelitone during the Claims Period and/or PAGA Period as Contract Carriers; and claims Period and/or PAGA Period as Drivers and/or Helpers. Each of the aforementioned portions of the Net and PAGA Settlement Amounts shall be allocated and paid to Settlement Class Members and Aggrieved Employees in accordance with formulas specified below.

**Individual Settlement Shares to Class Members**: After deducting the above-referenced items, the remaining Net Settlement Amount, will be proportionally distributed to the Class Members. The Settlement Administrator will calculate the amount of the Individual Settlement Share due to each Settlement Class Member based on the Workweeks of Settlement Class Member during the Claims Period, as reflected in Fidelitone's records. Specifically, each Settlement Class Member's Settlement Amount (*i.e.*, 55% for Contract Carriers or 45% for Drivers/Helpers, as applicable), where "x" equals the total number of Workweeks for each Settlement Class Member for Settlement Class Member for Trivers/Helpers, and "y" equals the total number of Workweeks in which all Settlement Class Members worked for Fidelitone.

**PAGA Settlement Shares to Aggrieved Employees**: The Aggrieved Employee Payment will be proportionally distributed to the Aggrieved Employees. The Settlement Administrator will calculate the amount of the PAGA Settlement Share due to each Aggrieved Employee based on the Workweeks of Aggrieved Employee during the PAGA Period, as reflected in Fidelitone's records. Specifically, each Aggrieved Employee's Settlement Award will be calculated by multiplying the fraction x/y by the total of the applicable portion of Aggrieved Employee Payment (*i.e.*, 55% for Contract Carriers or 45% for Drivers/Helpers, as applicable), where "x" equals the total number of Workweeks for each Aggrieved Employee, and "y" equals the total number of Workweeks in which all Aggrieved Employees worked for Fidelitone.

One day worked in a given week will be credited as a week for purposes of these calculations. Therefore, the value of each Class Member's and/or Aggrieved Employee's Settlement payment ties directly to the amount of weeks that he or she worked.

#### B. How Will My Settlement Payment Be Taxed?

Each Settlement Class Member's Individual Settlement Share will be apportioned as follows: 40% wages, 30% interest, and 30% penalties. The amounts paid as wages shall be subject to all tax withholdings customarily made from an employee's wages and all other authorized and required withholdings and shall be reported on IRS W-2 Forms issued by the Settlement Administrator on behalf of the qualified settlement fund. Fidelitone shall pay the employer portion of all such tax withholdings on the Individual Settlement Share amounts paid as wages separate from, and in addition to, the Gross Settlement Fund. Payments of all amounts will be made subject to backup withholding unless a duly executed W-9 form is received from the payee(s). The Individual Settlement Share amounts paid as penalties and interest shall be subject to all authorized and required withholdings other than the

tax withholdings customarily made from employees' wages and shall be reported on IRS 1099 Forms issued by the Settlement Administrator on behalf of the qualified settlement fund. Only the employee share of payroll tax withholdings shall be withheld from each Settlement Class Member's Individual Settlement Share.

Each Aggrieved Employee's PAGA Settlement Share will be apportioned as follows: 100% penalties. The PAGA Settlement Share amounts shall be reported on IRS 1099 Forms issued by the Settlement Administrator on behalf of the qualified settlement fund.

#### C. What Is My Settlement Payment?

Although your exact share of the Net Settlement Amount as a Class Member cannot be precisely calculated until after the time during which individuals may object or seek exclusion from the Settlement concludes, based upon the calculation above, your approximate share of the Net Settlement Amount, is as follows: \$\_\_\_\_\_\_, less taxes. This is based on the Class Data which shows you worked \_\_\_\_\_ workweeks during the Claims Period.

If you are also an Aggrieved Employee, you will receive a share of the Aggrieved Employee Payment. Based upon the calculation above, your approximate share of the Aggrieved Employee Payment, is as follows: \$\_\_\_\_\_\_. This is based on the PAGA Data which shows you worked \_\_\_\_\_\_ workweeks during the PAGA Period.

Checks issued to Settlement Class Members and Aggrieved Employees shall be valid for 120 days. If, after this 120 day period, the total amount of remaining from any uncashed checks equals or exceeds Ten Thousand Dollars (\$10,000), the Settlement Administrator shall re-distribute the residue to Settlement Class Members and Aggrieved Employees. If the total amount of the residue funds is less than Ten Thousand Dollars (\$10,000), those funds shall be distributed in accordance with Section 384 of the California Code of Civil Procedure to Legal Aid at Work, the cy pres recipient selected by the Parties, subject to Court approval.

#### 8. How Do I Opt Out Or Exclude Myself From This Settlement?

To opt-out of the Settlement, a Class Member must provide the Settlement Administrator at [address] with a Timely Written Request To Opt Out (*i.e.*, it must be postmarked no later than 45 days after the First Mailing Date or [the Response Deadline]). In order to be valid, a Timely Written Request to Opt Out must state the Class Member name, contain the last four digits of his/her social security number, be dated and signed by the Class Member and be timely received by the Settlement Administrator. All Class Members shall be bound by all of the terms of the Settlement Agreement and Judgment unless a Timely Written Request to Opt Out is received by the Settlement Administrator.

The proposed settlement includes the settlement of claims for civil penalties under the PAGA. You may not request to be excluded from the settlement of a PAGA claim. Thus, if the court approves of the settlement, even if you request exclusion from the settlement, if you worked during the PAGA Period of April 28, 2019, through November 6, 2021, you will receive a portion of the PAGA Fund and will be deemed to have released the PAGA Released Claims. A request for exclusion will preserve your right to individually pursue only the remaining class claims.

#### 9. How Do I Object To The Settlement?

If you are a Class Member who does not opt out of the Settlement, you may object to the Settlement, personally or through an attorney, by submitting a written Objection to the Settlement Administrator at [address]. All objections to the Settlement must be submitted to the Settlement Administrator no later than 45 days after the Settlement Administrator's First Mailing Date of the Class Notice, or [the Response Deadline]. The objection will not be valid if it objects only to the appropriateness of the action or its merits.

Class Members who timely file valid objections to the Settlement may (though are not required to) appear at the Final Approval Hearing, either in person or through the objector's own counsel. If the Court rejects the Objection, the Class Member will receive a Settlement payment and will be bound by the terms of the Settlement.

#### 10. How Does This Settlement Affect My Rights? What are the Released Claims?

If the proposed settlement is approved by the Court, a Final Judgment will be entered by the Court. All Class Members who do not opt out of the Settlement will be bound by the Court's Final Judgment and will release Defendants and the Released Parties<sup>1</sup> from the Released Class Claims. The Released Class Claims are:

Any and all claims for: unpaid minimum wages; unpaid overtime wages; unlawful deductions from wages; failure to reimburse work-related expenses; failure to provide meal periods or pay premium wages in lieu

<sup>&</sup>lt;sup>1</sup> "Released Parties" means Defendant Fidelitone Last Mile, Inc. and its predecessors and successors, as well as all of its current, former and future subsidiaries, affiliates, and parent companies, and each of their respective officers, directors, shareholders, members, partners, insurers, agents, administrators, executors and assigns.

thereof; failure to authorize and permit rest periods or pay premium wages in lieu thereof; failure to furnish accurate itemized wage statements; failure to pay all final wages due upon termination; and unfair, unlawful or fraudulent business acts or practices; conversion; common count; fraud; breach of contract; unjust enrichment; as well as any and all remedies available at law or equity on any of the foregoing claims, including without limitation, compensatory damages, wages, penalties, liquidated damages, interest, costs, attorneys' fees, restitution, punitive damages, declaratory relief, and injunctive relief, but only to the extent that such causes of action or claims for relief were asserted or reasonably could have been asserted by Plaintiffs or Class Members in the Action and/or Related Cases based upon any of the conduct alleged therein which arose out of their work for Fidelitone in the State of California during the Claims Period.

If you are an Aggrieved Employee, you will be bound by the Final Judgment and will release the Released Parties from the Released PAGA Claims, even if you opt-out of the settlement. The Released PAGA Claims are:

Any and all claims for: unpaid minimum wages; unpaid overtime wages; unlawful deductions from wages; failure to reimburse work-related expenses; failure to provide meal periods or pay premium wages in lieu thereof; failure to authorize and permit rest periods or pay premium wages in lieu thereof; failure to furnish accurate itemized wage statements; failure to pay all final wages due upon termination; and unfair, unlawful or fraudulent business acts or practices; conversion; common count; fraud; breach of contract; and unjust enrichment, based upon any of the conduct alleged therein which arose out of their work for Fidelitone in the State of California during the PAGA Period.

#### 11. How Much Can I Expect to Receive From This Settlement?

The total maximum amount that Defendant could be required to pay under this Agreement shall be up to but no more than \$1,000,000 ("Gross Settlement Fund" or "GSF").

The "Net Settlement Amount" or "NSA" means the portion of the Gross Settlement Fund, available for distribution to Class Members after the deduction of (1) the Class Representative Enhancement Payments to each named Plaintiff in an amount up to \$10,000 each, for prosecution of the Action, risks undertaken for the payment of attorneys' fees and costs, and a general release of all claims; (2) the Settlement Administration Costs to the Settlement Administrator in an amount estimated not to exceed \$20,000; (3) a payment of \$50,000 allocated to the PAGA claims; and (4) payment to Class Counsel in an amount not to exceed \$333,300 (33 1/3% of the Gross Settlement Amount) for attorneys' fees and an amount not to exceed \$30,000 for litigation costs. All of these payments are subject to court approval.

The PAGA Settlement Mount means the portion of the Gross Settlement Fund which is allocated to the compromise and release of Plaintiffs' claims in the Action and Related Cases for PAGA Penalties, i.e., Fifty Thousand Dollars (\$50,000). Of this \$50,000, 75%, or \$37,500, will be paid to the Labor and Workforce Development Agency ("LWDA") (the "LWDA Payment"), and the remaining 25%, or \$12,500, will be distributed to the Aggrieved Employees (the "Aggrieved Employee Payment").

#### A. How Will Settlement Payments Be Calculated?

The NSA and Aggrieved Employee Payment shall be divided, for distribution to Settlement Class Members and Aggrieved Employees, into two parts as follows: (a) 55% to those Settlement Class Members and Aggrieved Employees who worked for Fidelitone during the Claims Period and/or PAGA Period as Contract Carriers; and (b) 45% to those Settlement Class Members and Aggrieved Employees who worked for Fidelitone during the Claims Period and/or PAGA Period as Drivers and/or Helpers. Each of the aforementioned portions of the Net

and PAGA Settlement Amounts shall be allocated and paid to Settlement Class Members and Aggrieved Employees in accordance with formulas specified below.

**Individual Settlement Shares to Class Members**: After deducting the above-referenced items, the remaining Net Settlement Amount, will be proportionally distributed to the Class Members. The Settlement Administrator will calculate the amount of the Individual Settlement Share due to each Settlement Class Member based on the Workweeks of Settlement Class Member during the Claims Period, as reflected in Fidelitone's records. Specifically, each Settlement Class Member's Settlement Award will be calculated by multiplying the fraction x/y by the total of the applicable portion of Net Settlement Amount (*i.e.*, 55% for Contract Carriers or 45% for Drivers/Helpers, as applicable), where "x" equals the total number of Workweeks for each Settlement Class Member, and "y" equals the total number of Workweeks in which all Settlement Class Members worked for Fidelitone.

**PAGA Settlement Shares to Aggrieved Employees**: The Aggrieved Employee Payment will be proportionally distributed to the Aggrieved Employees. The Settlement Administrator will calculate the amount of the PAGA Settlement Share due to each Aggrieved Employee based on the Workweeks of Aggrieved Employee during the PAGA Period, as reflected in Fidelitone's records. Specifically, each Aggrieved Employee's Settlement Award will be calculated by multiplying the fraction x/y by the total of the applicable portion of Aggrieved Employee Payment (*i.e.*, 55% for Contract Carriers or 45% for Drivers/Helpers, as applicable), where "x" equals the total number of Workweeks for each Aggrieved Employee, and "y" equals the total number of Workweeks in which all Aggrieved Employees worked for Fidelitone.

One day worked in a given week will be credited as a week for purposes of these calculations. Therefore, the value of each Class Member's and/or Aggrieved Employee's Settlement payment ties directly to the amount of weeks that he or she worked.

#### B. How Will My Settlement Payment Be Taxed?

Each Settlement Class Member's Individual Settlement Share will be apportioned as follows: 40% wages, 30% interest, and 30% penalties. The amounts paid as wages shall be subject to all tax withholdings customarily made from an employee's wages and all other authorized and required withholdings and shall be reported on IRS W-2 Forms issued by the Settlement Administrator on behalf of the qualified settlement fund. Fidelitone shall pay the employer portion of all such tax withholdings on the Individual Settlement Share amounts paid as wages separate from, and in addition to, the Gross Settlement Fund. Payments of all amounts will be made subject to backup withholding unless a duly executed W-9 form is received from the payee(s). The Individual Settlement Share amounts paid as penalties and interest shall be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported on IRS 1099 Forms issued by the Settlement Administrator on behalf of the qualified settlement fund. Only the employee share of payroll tax withholdings shall be withheld from each Settlement Class Member's Individual Settlement Share.

Each Aggrieved Employee's PAGA Settlement Share will be apportioned as follows: 100% penalties. The PAGA Settlement Share amounts shall be reported on IRS 1099 Forms issued by the Settlement Administrator on behalf of the qualified settlement fund.

#### C. What Is My Settlement Payment?

Although your exact share of the Net Settlement Amount as a Class Member cannot be precisely calculated until after the time during which individuals may object or seek exclusion from the Settlement concludes, based upon the calculation above, your approximate share of the Net Settlement Amount, is as follows: \$\_\_\_\_\_\_,

less taxes. This is based on the Class Data which shows you worked \_\_\_\_\_ workweeks during the Claims Period.

If you are also an Aggrieved Employee, you will receive a share of the Aggrieved Employee Payment. Based upon the calculation above, your approximate share of the Aggrieved Employee Payment, is as follows: \$\_\_\_\_\_\_. This is based on the PAGA Data which shows you worked \_\_\_\_\_\_ workweeks during the PAGA Period.

#### D. What Happens If I Don't Submit the Enclosed IRS W-9 Form?

It is strongly encouraged that you submit the enclosed IRS W-9 Form. If you do not submit this form within 120 calendar days after the settlement checks are mailed to Participating Class Members, your settlement check will be deposited with Legal Aid at Work. If you have any questions about this, please contact the Settlement Administrator.

#### <u>ORDER</u>

1

This matter came on for hearing on INSERT, 2022, at INSERT, in Department S26 of the
above-captioned Court on Plaintiffs' Motion for Final Approval of Class Action Settlement,
Attorneys' Fees, Costs, Class Representative Enhancements, and Entering of Judgment pursuant
to: (1) California Rule of Court 3.769(g); (2) the Order Granting Plaintiffs' Motion for
Preliminary Approval of Class Action Settlement, Conditional Certification, Approval of Class
Notice, Setting of Final Approval Hearing Date (hereinafter referred to as the "Preliminary
Approval Order"); and (3) the Settlement Agreement.

Having received and considered the Settlement Agreement, the supporting papers filed by
the Parties, and the evidence and argument received by the Court in conjunction with the Motion
for Preliminary Approval of Class Action Settlement; and Plaintiffs' Motion for Final Approval,
Attorneys' Fees, Costs, Class Representative Enhancements, and Entering of Judgment, the
Court grants final approval of the Settlement and HEREBY ORDERS AND MAKES THE
FOLLOWING DETERMINATIONS:

Pursuant to the Preliminary Approval Order, the Notice of Class Action
 Settlement (hereinafter referred to as the "Notice") was mailed to all members of the Class by
 first-class U.S. mail. The Notice informed the Class of the terms of the Settlement, of their right
 to receive their proportional Settlement Payment, of their right to request exclusion from the
 Class and the Settlement, of their right to comment upon or object to the Settlement and to
 appear in person or by counsel at the final approval hearing and of the date set for the Final
 Approval hearing. Adequate periods of time were provided by each of these procedures.

22 2. In response to the Notice, no members of the Class filed a written objection to the
23 Settlement, no class members stated an intention to appear at the final approval hearing, and only
24 INSERT member(s) of the Class requested to be excluded from the Settlement.

3. The Court finds and determines that this notice procedure afforded adequate
protections to Class Members and provides the basis for the Court to make an informed decision
regarding approval of the Settlement based on the Class Members' response. The Court finds and

2

determines that the Notice provided in conjunction with preliminary approval was the best notice
 practicable, which satisfied the requirements of law and due process.

4. The Court further finds and determines that the terms of the Settlement
Agreement are fair, reasonable and adequate to the Class and to each Class Member and that the
settlement is ordered finally approved, and that all terms and provisions of the Settlement
Agreement should be and hereby are ordered to be consummated.

5. The Court has certified a Class, as that term is defined in and by the terms of the
8 Settlement Agreement, and the Court deems this definition sufficient for purposes of California
9 Rule of Court 3.765(a).

10 6. The Court hereby approves the terms set forth in the Settlement Agreement and 11 finds that the Settlement is, in all respects, fair, adequate, and reasonable, and directs the Parties 12 to effectuate the settlement according to its terms. The Court finds that the settlement was 13 reached as a result of informed and non-collusive arm's-length negotiations facilitated by a neutral mediator. The Court further finds that the Parties conducted extensive investigation, 14 15 research, and discovery and that their attorneys were able to reasonably evaluate their respective 16 positions. The Court also finds that settlement will enable the Parties to avoid additional and 17 potentially substantial litigation costs, as well as delay and risks if the Parties were to continue to 18 litigate the case. The Court has reviewed the monetary recovery provided as part of the 19 settlement and recognizes the significant value accorded to the Class.

7. The Court hereby confirms David Mara and Matthew Crawford of Mara Law
Firm, PC, Michael H. Boyamian of Boyamian Law, Inc., and Armand R. Kizirian of Kizirian
Law Firm, P.C. as Class Counsel in this action.

23

24

8. The Court hereby confirms Plaintiffs Ashley Caballero, America Caballero, and Luis Venegas as the Class Representatives in this action.

9. The Court finds and determines that the individual Settlement Payments provided
for by the terms of the Settlement Agreement to be paid to Participating Class Members are fair
and reasonable. The Court hereby gives final approval to and orders the payment of those

1 amounts be made to the Participating Class Members in accordance with the terms of the 2 Settlement.

3 10. The Court finds and determines that payment to the California Labor and 4 Workforce Development Agency of **SINSERT** as its share of the settlement of civil penalties in 5 this case is fair, reasonable, and appropriate. The Court hereby gives final approval to and orders 6 that the payment of that amount be paid in accordance with the Settlement.

- 7 11. The Court finds and determines the Class Representative Enhancements in the 8 sum of \$INSERT each to Plaintiffs Ashley Caballero, America Caballero, and Luis Venegas are 9 fair and reasonable. The Court hereby orders the Administrator to make these payments to the 10 Plaintiffs/Class Representatives in accordance with the terms of the Settlement Agreement.
- 11 12. The Court finds and determines that the payment to be paid to the Settlement 12 Administrator, Phoenix Class Action Administration Solutions, in the sum of **SINSERT** for its 13 fee and expenses incurred is fair and reasonable. The Court hereby orders the Administrator to 14 make this payment to itself in accordance with the terms of the Settlement Agreement.
- 15 13. Pursuant to the terms of the Settlement, and the authorities, evidence and argument submitted by Class Counsel, the Court hereby awards Class Counsel attorneys' fees in 16 17 the sum of **\$INSERT** and litigation costs of **\$INSERT**. The Court finds such amounts to be fair 18 and reasonable. The Court hereby orders the Settlement Administrator to make these payments in 19 accordance with the terms of the Settlement Agreement.

20 14. Neither Defendant nor any related persons or entities shall have any further 21 liability for costs, expenses, interest, attorneys' fees, or for any other charge, expense, or 22 liability, except as provided for by the Settlement Agreement.

23

25

15. Nothing in this Order shall preclude any action to enforce the Parties' obligations 24 pursuant to the Settlement Agreement or pursuant to this Order, including the requirement that Defendant make payments to Participating Class Members in accordance with the Settlement 26 Agreement.

27 16. The Court hereby enters final judgment in this case in accordance with the terms of the Settlement Agreement, Preliminary Approval Order and this Order. 28

5 effectuation and enforcement of this order and the Settlement.

#### **JUDGMENT**

7 19. This document shall constitute a judgment for purposes of California Rules of 8 Court, Rule 3.769(h). In accordance with, and for the reasons stated in this Order, judgment shall 9 be entered within the meaning and for purposes of Code of Civil Procedure sections 577, 10 904.1(a), and Rules 3.769, and 8.104 of the California Rules of Court whereby named 11 Plaintiff/Class Representative and all Class Members shall take nothing from Defendant except 12 as expressly set forth in the Settlement Agreement filed on February 23, 2021, in conjunction 13 with Plaintiff's Motion for Preliminary Approval of the Class Action Settlement. The Court 14 pursuant to California Rule of Court 3.769(h) shall retain jurisdiction over the parties to enforce the terms of the judgment. 15
